

REMARKS

This application has been carefully reviewed in light of the Office Action dated January 27, 2005. Claims 1 to 18 and 23 to 28 are in the application, of which Claims 1, 11, 12, 13, 14, 15, 23 and 25 are independent. Claim 29 has been cancelled. Reconsideration and further examination are respectfully requested.

Applicants thank the Examiner for the indication of allowable subject matter in Claims 1 to 18 and 23 to 28.

Claim 29 was rejected under 35 U.S.C. § 112, first paragraph. The rejection is respectfully traversed, since the specification provides a clear description of coded coordinate information that is smaller than a size of a display pixel. One example of such a description is seen in Figure 3 (see MPEP §2163 which authorizes reliance on drawings in satisfaction of the written description requirement). Nevertheless, Claim 29 has been cancelled without prejudice or disclaimer of subject matter and without conceding the correctness of the rejection, and merely to obtain an earlier allowance. Accordingly, withdrawal of the §112 rejection is respectfully requested.

No other matters being raised, it is believed that the entire application is fully in condition for allowance, and such action is courteously solicited.

Applicants' undersigned attorney may be reached in our Costa Mesa, California office at (714) 540-8700. All correspondence should continue to be directed to our below-listed address.

Respectfully submitted,
